

**need not – must not ex 1**      **fill in must not or need not**

Teacher: We are going to a museum tomorrow.

You **needn't** take your schoolbags.

Look at everything carefully but you **mustn't** take any photos.

You **needn't** bring any money with you.

You **mustn't** talk too loud because there are other people, too.

You **mustn't** run.

You **need not** run so fast. There is plenty of time.

You **must not** worry, everything will be alright.

You **need not** to give up.

They **need not** walk. They have caught the train.

You **must not** talk all the time. I want to listen to the music.

Mary **need not** go shopping. Everything we need is in the kitchen.

You **need not** take me home today. I can go by bus.

You **must not** tease the dog.

You **must not** drive so fast. There is a school nearby.

We **need to** put on a coat. It is so warm outside.

You **must not** drink so much wine. The doctor says it's not healthy!

Children **need not** pay in the museum.

Must we take the bus? No, we **need not** take the bus, the zoo isn't far away.

I want to feed the ponies with popcorn. No, you **must not** touch it, its mother doesn't like it.

**Must** the elephants in the zoo work like they have to in India?

No, they **need not**. Sometimes visitors ride on their back but that's not hard work for them.
